## **Transportation Planning Specialist; Various Locations**

### **Job Description:**

TPD is seeking enthusiastic engineers of all experienced levels to join our team. Our ideal candidate has a strong work ethic, a desire to learn, the willingness to work cohesively within a team and the ability to work on multiple concurrent projects.

TPD offers a competitive salary and excellent benefits including an unmatched flex time policy, a desirable Paid Time Off Program and a Professional Development program provided to help our staff continue their education and training throughout their careers.

Duties and Responsibilities include, but are not limited to:

- Assisting in outside contact and communication pertaining to specific projects.
- Preparation of trip generation estimates, roadway volume development, parking estimates, and analyses for his/her projects within the team.
- Assisting in the analysis of field data, reports, maps, drawings, blueprints, tests, and aerial photographs to plan projects.
- Obtaining, analyzing, and interpreting demographic and other regional transportation planning data.
- Assisting in the preparation or modification of planning documents, including transportation impact studies, traffic operational analyses, for projects.
- Assisting in the collection of field data.
- Serving as on-site project representative.
- Use of planning software and equipment to prepare engineering, design, and planning documents.
- Responsible for job specific quality system tasks as defined in quality manual or handbook.
- Responsible for other general office duties as may be assigned.

As more experience is gained, the following duties may be added:

- Attends project and client meetings – days and/or nights.
- Acts as trainer and mentor to other staff.

### **Qualifications**

- Bachelor's Degree in Civil Engineering (required)
- Engineer in Training Certification
- Excellent oral and written communication skills
- Strong work ethic and ability to work on multiple projects and ability to meet multiple deadlines
- Knowledge of Microsoft Office Suite
- Valid Driver's License
