

The 2014 CRITICAL ISSUES SEMINAR

Presented by the American Society of Civil Engineers Philadelphia Section Younger Member Forum

The Critical Issues Seminar is an annual panelist-led discussion focusing on a key issue facing the engineering community in and around the Philadelphia region.

"Maintaining and Modernizing Infrastructure"

- Discuss continuing investments in infrastructure.
- Learn to educate the public and politicians on the need for infrastructure investment.

Wednesday, April 30th, 2014

Earn 1 PDH!
