

ASHE / MASITE Joint Meeting

ASHE and MASITE are excited to celebrate this year's Engineer's Week by hosting a joint dinner meeting. Rob McCleary, the Chief Engineer of DelDOT will be speaking about upcoming major projects in the Wilmington, Delaware area as well as the multiple project locations identified along US 113 corridor in Sussex County. Join us for an informational session that includes a networking hour and dinner. PDH certificated will be distributed at the meeting

A Discussion of Upcoming Major Projects in Delaware

Presented by:

Robert McCleary has over 27 years of Civil Engineering experience in the State of Delaware. His previous roles include serving as an Assistant Director of Engineering Support, Program Manager II in PD South, and a Project Manager on SR 1. Rob has a B.S. in Civil Engineering from the University of Delaware and has been a registered Professional Engineer in Delaware since 1991.
