

Networking 101

A hands-on breakout event and panel that will focus on specific practices, tips, and tricks to become a successful networking professional.

CHALLENGE YOURSELF to be a star networker and get the most out of any business event.

Networking 101 will combine unique breakout sessions with an expert panel. Participants will gain knowledge and confidence and, if interested, are welcome to attend the joint holiday networking event immediately following the event to test out some of their new skills and knowledge.

This is the fourth event in the Rotunda 2018-2019 Series.
