Joseph M. Fiocco, P.E., PTOE, SAFE Highway Engineering, LLC

Joe Fiocco has been working in the traffic engineering and highway safety industry for over 37 years and is a Principal at SAFE Highway Engineering LLC (SAFE). SAFE specializes in highway safety and traffic engineering studies and clients have included PennDOT, The Pennsylvania Turnpike Commission, local municipalities, and private sector clients. Joe was the president of ASHE SNJ in 2011 and 2012.

While a PennDOT District 6 engineer, Joe directed and coordinated the highway pavement marking, signing, and work zone traffic control program and reviewed highway design plans as the District Safety Review Committee Chairperson. He was instrumental in the Road Safety Audit Pilot programs in both Pennsylvania and New Jersey. He is certified in accident reconstruction, motorcycle collision reconstruction and human factors in vehicle collisions.
